

# Business Intelligence In Real Life

## Is Your Company Facing these 3 Problems?

Tom White

**WAC Consulting Group**

# Sales Analysis

- Problem: YOU want to identify product lines that your customers do *not* buy

# Order Analysis

- Problem: YOU want to eliminate the custom Excel spreadsheets which are taking up a lot of time to being maintained manually.

# Purchasing

- Problem: YOU want to analyze your company's monthly purchases in an easy to read/manipulate format.

To get the answers to those 3  
problems and schedule a no-  
commitment required BI Demo
